

Text + Quote

```
graph LR; Input[Text + Quote] --> Classifier[4-labels classifier]; Classifier --> Irrelevant[Irrelevant]; Classifier --> Positive[Positive]; Classifier --> Neutral[Neutral]; Classifier --> Negative[Negative];
```

The diagram illustrates a classification process. On the left, the text "Text + Quote" is positioned above a horizontal arrow pointing to a central rectangular box. Inside this box, the text "4-labels classifier" is centered. From the right side of the box, four horizontal arrows point outwards, each corresponding to a classification label: "Irrelevant", "Positive", "Neutral", and "Negative", arranged vertically from top to bottom.
